> Calendar of Meetings - 31 July–11 August 2017

Unless otherwise stated, all meetings will take place at Bexley Civic Offices, Watling Street, Bexleyheath commencing at 7.30pm

2 August – Licensing Sub-Committee (10am)

Amendments

The following meeting has been added to the Calendar:

12 September – SEND Improvement Plan Scrutiny Sub-Group (6.30pm)

> Forward Plan

The Forward Plan is published monthly and sets out the key decisions that the Cabinet expects to make or recommend to the Council in the next four months.

Edition 196 of the Forward Plan is published as an attachment to this Bulletin. It covers the period September to December 2017.

Readers who receive the Bulletin in electronic format can view the Forward Plan here http://democracy.bexley.gov.uk/mgListPlans.aspx?RPId=149&bcr=1

The Forward Plan is available in large print. Please contact the Communications Team for details.
> Tender advertisements

Where the Council does not maintain an approved list to use for tendering it will advertise for Applicants, drawing up a list of firms to who tenders will be issued. In this case the contract notice or advertisement will state what is required from the potential tenderers.

The current tender advertisements are available at – www.bexley.gov.uk/contractsandtendering

For more information contact the Procurement Team on 020 8303 7777 or email procurement@bexley.gov.uk

> Public notices

The London Borough of Bexley’s public notices are published each week in the News Shopper newspaper.

The pages published in the newspaper are also made available on the Council’s website.

This week’s notices and archived notices are available at https://www.bexley.gov.uk/publicnotices

If you have any enquiries or comments on this service, please email communications@bexley.gov.uk

The News Shopper is available for pick up free of charge at the following locations. http://www.newsshopper.co.uk/li/newsshopperpickup/

> Information Digest

Former Councillor Mr Ron Brierly

Past Mayor of our borough, past Alderman and also Leader of the Labour Group Mr Ron Brierly died last week (20 July) aged 88.

Mr Brierly was Mayor of Bexley from 1996–1997. He died at the Greenwich and Bexley Hospice,

His funeral will be held on Monday 7 August 2017 at 2pm at Kemnal Crematorium, Sidcup.

All are welcome to attend.

Flowers, or donations to be sent to: Francis Chappell and Son Funeral Directors, 48 High Street, Sidcup DA14 6EH
All Council news releases are available on the Council’s website at www.bexley.gov.uk/news alternatively, email communications@bexley.gov.uk

21 July - Bexley Archives achieve national accreditation

Bexley’s Local Studies and Archive Centre has been awarded Archive Service Accreditation, thanks to the quality of its work.

Achieving accredited status demonstrates that Bexley’s service has met clearly defined national standards relating to management and resourcing, the care of its unique collections and what it offers to its wide range of users.

“That local people are proud of the borough and its past and the centre works with people of all ages to help them appreciate our rich culture and history,” said Cllr Peter Craske, the Cabinet Member responsible for the service. “The team’s passion and enthusiasm is clear to anyone who uses the service or visits the centre and I am delighted that their hard work has been recognised.”

Bexley Local Studies and Archives is based at the Central Library in Bexleyheath and collects, preserves and makes available current and historic materials on the London Borough of Bexley. Its collections represent a unique source of information about the people, places and events that make up Bexley’s history.

The Archive Service Accreditation Panel, commended Bexley Archives as an “exemplary, effective borough service, which serves its community with an impressive range of access opportunities and partnerships”. They were particularly impressed with the service’s “excellent collections management, which has resulted in an impressive 95% of fully catalogued material”.

Accredited Archive Services ensure the long-term collection, preservation and accessibility of our archive heritage. Accreditation is the UK quality standard which recognises good performance in all areas of archive service delivery.

24 July - Belvedere Beach opens this week

The greatly anticipated Belvedere Beach playground opens to the public from 12 noon this Thursday (27 July).

The new seaside themed play area will provide a unique play experience. Open to the public all year round, its play and sensory equipment have been designed to be both inclusive and educational, with particular regard given to children with additional needs.

Cllr Peter Craske, Cabinet Member for Community Safety, Environment and Leisure said: “Belvedere Beach is a tremendous landmark that will be here for years to come. Both contemporary and unique, children of all abilities will be able to take part in themed, imaginary play. And with the on-site facilities, families can now stay and play for longer.

“The new playground will also be open all year round and is yet another reason to come and visit our fantastic borough. I am looking forward to the opening next week and hope to see lots of people there!”

The park features a variety of different textured and colourful play equipment and safety surfacing, including wooden percussion instruments, low-level water play areas, a boat climbing frame, palm tree basket swings, trampolines and a rope wave climbing frame.
Its decorations, including a fishing shack, treasure chest and roosting seagulls, encourage children to immerse themselves in imaginary play.

There is also a ground level roundabout which can be used by all young park visitors, including children in wheelchairs.

The new park has also benefitted from the refurbishment of existing features, including paths and steps, refreshment kiosk, public toilets, picnic tables and a disabled access ramp.

The playground is framed by plenty of plants and greenery, including mature trees located throughout the rest of the park. There is plenty of space for people of all ages to enjoy picnics in the warmer weather and take in the scenery.

The playground is free to use and is located on Woolwich Road in Belvedere. It opens to the public at 12 noon on Thursday 27 July following a special opening with local children and the Mayor of Bexley Cllr Peter Reader.

27 July - A quicker way for businesses to improve

Bexley's Environmental Health Team is offering businesses that receive poor food hygiene ratings the chance of a repeat visit to allow them to improve their scores quickly rather than waiting for their next visit.

The offer, that has been in place since April, has already been taken up by 22 businesses. Before it was in place, businesses had to wait until their next scheduled visit to get the chance to increase their published rating. This process could take up to 6 months. Now they can apply for a visit within six weeks of their initial inspection.

Cabinet Member for Community Safety, Environment and Leisure, Cllr Peter Craske said; “We want to make sure our residents are able to enjoy local places to eat and drink safe in the knowledge that they have a good food hygiene rating. Bexley is one of the safest places to eat in London, with a large percentage of high food hygiene ratings, but there is always more that can be done.

“Now, if a business receives a low score but wants to make the changes needed to improve, they can do so quickly rather than wait. Our ideal is to have all our businesses receive that high score in the first visit – but realistically we know that this isn’t always going to happen. At Bexley we can offer support, training and a quick return visit once the necessary changes have been made.”

The cost of a follow-up inspection is £140 – the lowest in any London Borough. The team also offer one-to-one training sessions for businesses and are looking at running regular workshops. Of the businesses that have already taken up the scheme, 95% improved their rating on their second visit.

Bexley visits over 900 food establishments every year to make sure they are of a high enough standard. Those that don't fit the bill and have a score below three, face possible closure or fines.

Restaurants and takeaways should display their food hygiene score in their window. If they don't, remember to ask what it is before you book, visit www.food.gov.uk or download the Food Hygiene Rating App for Android or Apple.
27 July - Improvement works – Albion Road and Gravel Hill (A220), Bexleyheath

During the school holidays several additional sections of Albion Road in Bexleyheath will be closed with diversions in place. The aim is to make the most of this quieter period, when traffic is generally lighter, and enable the works to end earlier.

The improvement works between Gravel Hill and Highland Rd (travelling towards Welling) are progressing well and this area will remain closed throughout August.

From 31 July, Albion Road will also be closed from Oaklands car park/bowling alley to Townley Road, for traffic travelling towards Crayford. Traffic will be diverted along Broadway and Arnsberg Way. Traffic needing to access the Clock Tower Court area (behind the Premier Inn) will use the bus lane from Townley Roundabout, which will be suspended.

From 7 August, Albion Road will also be closed between Highland Rd and Gravel Hill for traffic travelling towards Crayford.

Construction will also begin on the two new roundabouts planned on Gravel Hill at the junctions with Albion Road and Broadway/Watling Street. Construction will begin on the Marriott Hotel side with traffic on Gravel Hill diverted across to the east (opposite side of the road to the Marriott).

Most of these Albion Road works are expected to be completed during the school holidays. Throughout the works access to all car parks will be maintained and businesses will be open as usual. Bus services will be maintained, although there will be some local diversion of routes, organised by Transport for London.

After the school holidays, construction will continue on the two new roundabouts on Gravel Hill, and traffic will be moved to the Marriott side of Gravel Hill, with a temporary roundabout in operation at the Albion Road/Gravel Hill junction allowing all turning movements. Work will also continue on Albion Road between Townley Road and Highland Road, with traffic travelling towards Crayford diverted.

London Borough of Bexley apologises in advance for any inconvenience that may result during these improvements and will work with local residents and businesses to minimise disruption. Drivers should take extra care during these temporary arrangements.

The works are part of the final phase of the Bexleyheath Town Centre Revitalisation (BTCR) improvements, which started on Albion Road in January. They will help to ensure that Bexleyheath remains a vibrant town centre that continues to grow.

London Borough of Bexley secured funding for the works from Transport for London.

For general information email BTCR@bexley.gov.uk, or call 020 8303 7777 and ask to speak with a member of the BTCR team.

27 July - Hall Place Gardens named one of the UK’s best green spaces

Hall Place Gardens has been recognised by the international Green Flag Award Scheme as one of the very best green spaces in the UK. It was presented with the prestigious Green Flag Award last week (18 July).

The award, now into its third decade, is a sign to the public that the space boasts the highest possible environmental standards, is beautifully maintained and has excellent visitor facilities.

Cllr Peter Craske, Cabinet Member for Community Safety, Environment and Leisure, said: “We are absolutely thrilled that Hall Place has received a Green Flag Award for the 21st year in a
row. We know how much quality green spaces matter to our residents and to visitors and this award celebrates the Garden team’s dedication and hard work that goes into keeping this beautiful site maintained and cultivated to a very high standard."

Hall Place and Gardens is one of only a handful of sites in the UK to have won the Green Flag Award every year since 1996. It also recently received the Tripadvisor ‘Certificate of Excellence’ award.

Sitting on the banks of the River Cray in Bexley, the Hall Place estate stretches some 65 hectares. The gardens were first opened to the public in 1952 by HRH the Duchess of Kent. Visitors to the gardens can see the famous Queen’s Beast topiary sculptures, which were planted in 1953 in celebration of the coronation of HM Queen Elizabeth II.

There are herbaceous borders, a romantic wildflower meadow, display gardens, model gardens and a sub-tropical glasshouse with a host of exotic plants and fish and terrapins in the pond. There’s also the busy wildlife including squirrels, wagtails, geese, exotic ring-necked parakeets and the resident kingfisher.

Hall Place is home to a variety of shows and events throughout the year including, outdoor cinema and theatre, flower shows, historic tours, workshops, festivals, concerts and markets.

The London Borough of Bexley is encouraging as many people as possible from across the borough to get out into the great outdoors and visit sites such as Hall Place, on its social media channels.

All throughout summer, Facebook, Twitter and Instagram followers will see outdoor tips and fun facts about Bexley’s parks, information about events, photographs and videos.

Residents can get involved by sharing their own photos and videos of their days out in the borough on social media using #explorebexley.

To find out more about Hall Place please visit www.hallplace.org.uk

27 July - Get down to the beach in Belvedere

Belvedere Beach officially opened its gates to the public for the first time today (27 July) just as the school summer holidays get into full swing.

The park has been converted into a bright and colourful seaside themed playground with water play activities suitable for children of all abilities.

It features a range of play equipment of different textures, colours, shapes and sounds, designed to stimulate children’s senses. It even has a ground access roundabout which all children can use, including wheelchair users.

The redevelopment of the park was made possible thanks to a £150,000 grant from Cory Environmental Trust (CET), an environmental body which supports community and environmental projects.

Bexley Voice and Bexley SNAP helped to provide the ideas and feedback during the consultation period to make sure the playground would meet the needs of all children in Bexley.

Cllr Peter Craske, Cabinet Member for Community Safety, Environment and Leisure said: “I’d like to thank all those involved in this project for everything you have done to turn what was an idea on a piece of paper into reality, creating something unique - not just for Bexley but beyond that too. Without the funding from Cory Environmental Trust, strong team work and creativity that everyone involved has shown we would not have a playground of this incredibly high standard that is opening
well ahead of schedule and in time for the school holidays. I’m so proud of what you have all achieved.”

Local school children were able to enjoy being among the very first to try out the new play equipment at a special event with The Mayor of Bexley Cllr Peter Reader before the playground was officially open to the public. The children, The Mayor and Cllr Craske were joined by fellow Bexley Councillors, CET Community Manager Fiona Cummins and Senior Officers.

Karen Grace Atse and Freya Wylde, both aged 8, from St Augustine Primary School were at the opening. Karen said “I really like the new water play area; it will be really nice on a hot sunny day.” Freya said: “My favourite thing here is the hammock swings.” Both Karen and Freya say they will be regular visitors to the park and will make sure to bring their friends. “I’ll come here once a week” Freya said.

FM Conway, Russell Play, Sawscapes, G A Harpers Building Contractors, Abacus Safety Surfacing, Berry Landscapes, ISS Grounds Maintenance and Waterman Infrastructure were also at event to see all their hard work in use.

The Mayor of Bexley Cllr Peter Reader officially opened Belvedere Beach to the public at 12 noon. The new playground on Woolwich Road will continue to be open all year round and is completely free to use.

Licence Applications

On 31 October 2016 the London Borough of Bexley joined the Licensing Partnership to process and issue licensing applications for Bexley.

The Licensing Partnership is a partnership of local authorities comprising London Borough of Bexley, Maidstone Borough Council, Sevenoaks District Council and Tunbridge Wells Borough Council.

Central administration for the Licensing Partnership is based at Sevenoaks, with Licensing Officers located at each local authority. The team at Sevenoaks will input applications, process payments, deal with administrative queries and issue licences.

The Licensing Officers will liaise with customers regarding compliance, set policies, engage with partner responsible authorities, carry out licensing hearings etc.

Any person is welcome to inspect the full details of any of the applications made under the following legislation:

- **Licensing Act 2003** - Applications for the grant or provisional grant of a Premises Licences or Club Premises Certificates; together with applications seeking a full variation or the review an existing Licence or Certificate.
- **Scrap Metal Dealers Act 2013** - Applications for the grant of a Site Licence.
- **Gambling Act 2005** - Applications for the grant or provisional grant of a Premises Licence; together with applications seeking a full variation or the review an existing Licence.

Applications may be viewed on line by the following link: [https://www.bexley.gov.uk/services/licensing-and-permits/public-licensing-register](https://www.bexley.gov.uk/services/licensing-and-permits/public-licensing-register)

Detailed below is a list summarising licence applications made under the **London Local Authorities Act 1991 (Special Treatment Licences)** - Applications for the grant of a Premises Licence.

<table>

Application is made for a Special Treatment Licence so as to provide the following treatments: Massage, Manicure, Facial, Pedicure and UV Tanning. The hours of operation are Monday to Wednesday between 09:00 hours and 18:00 hours, Thursday to Friday between 09:00 and 21:00 hours, Saturday between 09:00 and 20:00 hours and Sunday between 10:00 and 17:00 hours.

Application is made for a Special Treatment Licence so as to provide the following treatments: UV Tanning. The hours of operation are Monday to Saturday between 09:00 hours and 21:00 hours and Sunday between 10:00 and 18:00 hours.
Application is made to vary a Special Treatment Licence so as to include the following treatments:
Tanning using UV light. The hours of operation are Tuesday between 10:00 hours and 17:00 hours, Wednesday and Thursday between 10:00 and 20:30 hours, Friday between 10:00 and 17:00 hours and Saturday between 09:00 and 15:00 hours.

This list is valid as of 5pm Wednesday 19 July 2017

Representations may be made to any of the applications. Representations may be for or against an application. To be considered representations must be ‘relevant’ which means that they must relate to a licensing objective or a ground for refusing an application. The Licensing Partnership administration team can provide guidance on how to make representations to each of the different licence types.

The Role of Ward Councillors

Ward Councillors can make representations in writing and at a hearing on behalf of a local resident or business if specifically requested to do so. Furthermore, if asked, they can represent any party who has made relevant representations at a hearing. Also, as an elected member of the Council they can make representations in their own right if they have relevant concerns about any application, regardless of whether the premises is in their ward. There may also be occasions where a ‘Responsible Authority’ such as the police may wish to ask a Ward Councillor to act as a witness at a hearing.
APPLICATIONS PENDING DETERMINATION BY THE COUNCIL’S LICENSING SUB COMMITTEE

Detailed below is a list summarising current applications subject to representations and pending determination by the Council’s Licensing Sub Committee. Hearings, which are open to the public, are held at Bexley Civic Offices.

This list is valid as of 5pm Wednesday 19 July 2017

A copy of these returns and declarations (including any accompanying documents) is open to inspection during normal office hours until 7 June 2019 at the place below.

**Gill Steward, Acting Returning Officer**

Electoral Services Office, Civic Offices, 2 Watling Street, Bexleyheath, Kent DA6 7AT

Dated: 21 July 2017
Old Bexley Primary School win County mixed cricket

Old Bexley Primary school won the mixed (boys/girls) county cricket title at Polo Farm, Canterbury on Wednesday 19 July.

They won 5 out of 6 matches to clinch the title against some stiff opposition, and made it a double celebration for the school as their girls only team also won the girls title on Wednesday 5 July at the same venue.

Get ready for the return of Prudential RideLondon in London and Surrey this weekend

With the return of mass-participation and elite cycling to the Capital this weekend, on Saturday 29 July and Sunday 30 July roads throughout parts of London will be closed.

Transport for London (TfL) is urging London’s road users to plan ahead of essential road closures.

The multi-award winning Prudential RideLondon, now in its fifth year, has grown to be the world’s largest mass participation cycling festival. This year the event begins at the Lee Valley Velopark in Queen Elizabeth Olympic Park. This is followed by a host of events over the weekend including FreeCycle - a free, family-friendly, mass-participation bike ride in traffic-free central London - sportives and elite races.

Variable messaging signs are in place around London advising drivers of the closures, and TfL will be providing up-to-date information through the @TfLtrafficnews and @TfLbusalerts Twitter feeds and on the TfL website to help drivers and bus users.

For more travel advice, please visit tfl.gov.uk/ridelondon and PrudentialRideLondon.co.uk/road-closures.
University of the Third Age Sidcup & District Branch

The next monthly general meeting of Sidcup & District U3A will be held at 2pm Thursday 17 August at the New Community Church Centre, 24 Station Road, Sidcup. Visitors are welcome, admission is free and refreshments will be available.

Instead of the customary guest speaker, this month’s meeting will take the form of a ‘Showcase’ at which the various interest groups within the branch will set up table top displays and photos illustrating the group’s activities and will be pleased to answer questions from fellow members and visitors.

A wide number of activities will be featured including such subjects as family history, book reading, ramblers groups, parks and gardens, classical music and many more.

Summer Reading Challenge in libraries

The Reading Agency and Libraries present Animal Agents, the Summer Reading Challenge 2017.

This year’s theme is Animal Agents, based on a detective agency staffed by all kinds of clever animals who are trying to solve a mystery.

The Summer Reading Challenge is aimed at 4 to 11 year olds. Children read six books of their choice over the summer, collect stickers and rewards along the way and receive a medal and certificate if they complete the challenge.

It’s free to join – just ask at your local library.

The Summer Reading Challenge runs from Saturday 15 July to Saturday 9 September and will include events and activities for children.
Road watch

There are a number of minor works, including potholes and small footway repairs, which are carried out on an on-going basis across the borough as well as gully cleaning and street lighting maintenance.

For up-to-date information about major road works across the borough, you can visit Council’s website at www.bexley.gov.uk

To access information on road works that are being undertaken by Utility Companies, the Electronic Local Government Information Network (ELGIN) (Opens in a new window) provides a usable map. The site is not operated by the London Borough of Bexley and therefore has no control over its content.

This includes links to maps showing general locations of road work.

NOTES

Planning applications marked with an * will be submitted to the Planning Committee for consideration.

All other applications fall within categories delegated for determination by the Head of Development Management but Members are reminded that in respect of these applications they may, within 21 days of the date of this circular, request the Head of Development Management to refer the full application to the Planning Committee.

Further enquiries in respect of applications should be made to the Development Management Division, Civic Offices, 2 Watling Street, Bexleyheath DA6 7AT where applications and plans submitted may be inspected electronically between the hours of 9am–5pm, Mondays to Fridays.

GENERAL ENQUIRIES regarding applications should, in the first instance, be made to the Development Management Administration Team on 020 3045 5992

The Borough has now been divided into 2 planning groups as indicated below:–

NORTH WARDS: Barnehurst, Belvedere, Brampton, Christchurch, Colyers, Crayford, Erith, Lesnes Abbey, North End, Northumberland Heath, Thamesmead East.
North Team Leader : Mr M Watling (020 3045 5771)

SOUTH WARDS: Blackfen & Lamorbey, Blendon & Penhill, Cray Meadows, Danson Park, East Wickham, Falconwood & Welling, Longlands, Sidcup, St. Mary’s, St. Michael’s.
South Team Leader: Mr C Westwood (020 3045 5763)

For reference, the letters at the end of each application number denote the type of application, these are:-

Date of Circular:- 24 July 2017
Great Hope for the community!

A huge well done to pupils of Hope Community School, Sidcup, who worked so hard carrying out a sponsored litter-pick at Foots Cray Meadows just before the summer break.

The school works in partnership with the London Borough of Bexley's Schools Waste Action Club. Pupils were sponsored by friends and family and the money raised will be sent to their partnership school in India to help buy a new bus.

Over 150 community spirited residents from across the borough have been working with the Council to help keep their areas looking clean and tidy by joining the community litter pickers scheme. They carry out litter picking in their own spare time.

The Council cannot be everywhere at once, so having residents who are willing to enhance the services already provided, taking pride in where they live and helping to keep areas clean, is beneficial to everyone.

Anyone interested in finding out more about volunteer community litter-picking, either individually or as a group, should email worksdirect@bexley.gov.uk.
