A message to Parents and Carers

Joining a nursery class is an important step for a child. Nursery classes in Bexley primary schools follow the Early Years Foundation Stage – a framework which is based on the principle of learning through play and gives a great start to pre-school children. The start of your child’s education in our infant and primary schools and nursery classes is important to us, and you are encouraged to take all the opportunities available to you to find out about our school nurseries in order to make decisions about what is best for your child.

Not all primary schools have nursery classes but there are enough places available in total in Bexley school nursery classes and in day nurseries, pre-schools and playgroups run by private, voluntary and independent organisations for every three and four year old resident in the Borough.

This booklet has been prepared to give you the information you need when making your application for a place in a nursery class. Council Officers are happy to help by answering questions and providing information. Telephone numbers and email addresses are on the next page.

There is one application period for both September and January start dates. Whenever your child's birthday is, you will need to apply for a nursery place between 16 January and 6 April 2019.

On pages 11-15 of this booklet you will find a full list of schools with nursery classes. Most still provide sessions in either mornings or afternoons but some are now offering different patterns of attendance. More detail is provided in the booklet.

Although there has been widespread media coverage regarding the extended free childcare entitlement for working parents of 3 – 4 year olds, not all nurseries will be offering this and not all families are entitled to claim it, therefore the London Borough of Bexley’s standard nursery offer remains 15 hours per week, with some schools offering additional hours as a top up for those eligible.

Bexley residents can apply online for a nursery class place and we would encourage you to do so. It is quick, easy and secure. Free internet access is available at all libraries if you do not have a computer at home.

If you wish to look around schools, or to find out more, please telephone the school direct to find out about the arrangements made for parents to visit.

Introduction

Nursery classes in Bexley schools

This booklet is for parents with a child born between 1 September 2015 and 31 August 2016. It contains information about applying for a place in a nursery class attached to a primary school in Bexley.

The information contained in this booklet is correct at time of printing, January 2019. Any changes will be published on the Council’s website www.bexley.gov.uk/admissions

Parents are entitled to 15 hours per week of free early years education for 38 weeks each year from the start of the school term after their child’s third birthday until the child reaches compulsory school age.

Many nursery classes in Bexley schools offer 3 hour sessions either in the morning or afternoon to cover the free entitlement. Others have introduced new arrangements that offer more flexibility for parents, such as a combination of full and half day sessions.

A list of the 38 nursery classes in Bexley schools with details of the sessions that they offer is on pages 11 to 15.

Most schools will admit all children in September 2019 if they have enough places.

There is one application period for both start dates. You must apply between 16 January and 6 April 2019 to be sure that your application is considered for your preferred school. There may be places available in some schools for children who apply after the closing date, but late applications will only be considered after those that are submitted by 6 April 2019.

Other Pre-School Places

The 15 hours free entitlement can also be taken in private, voluntary and independent nurseries, preschools and play groups. These providers often admit children at a younger age than school nursery classes and more regularly through the year. They are funded directly for the 15 hours; there is no need for parents to apply separately for funding. Some private, voluntary and independent providers also offer additional hours during the week. The additional cost for those hours is a private arrangement between the parent and the provider.

Separate information is available from the Contact Centre at the Civic Offices about these options, or visit www.bexley.gov.uk/childcare

30 hour funding from September 2017

From September 2017 eligible parents of 3 and 4 year olds have been able to access 30 hours funded childcare or early education. All 3 and 4 year olds are entitled to 15 hours per week. The additional 15 hours is available for families where both parents are working (or the sole parent is working in a loneparent family). Each parent must earn the equivalent of 16 hours a week at the national minimum or living wage and less than £100,000 a year. The 30 hours can be used with up to 2 different childcare providers between the hours of 6am and 8pm, this includes nurseries, pre-schools, childminders and breakfast and after school clubs, making it more easily accessible for working parents.

Any questions or queries specifically and only about 30 hour and not our funding, please contact funded.childcare@bexley.gov.uk
Applying for a Nursery Class Place

1. Schools with nursery classes

38 infant and primary schools in Bexley have nursery classes for children aged three and four years old.

The schools are listed on pages 11 to 15 of this booklet. You can apply for most nursery classes on the London Borough of Bexley’s online or paper application form, but some voluntary aided (faith) schools and Academies have their own separate admission process. Please read Part 5 of the booklet for details of these schools and how to apply.

2. Nursery class sessions

Nursery classes are part time for 12½ to 15 hours each week during school term time.

Usually children attend either a morning or afternoon session of 2½ or 3 hours, but some schools offer full days and flexible combinations of sessions.

Where a school offers both morning and afternoon sessions, the school will decide how to allocate sessions. Sessions may be allocated randomly, and some schools may allow parents to express a preference. No guarantee is made of the session time when a place is offered. Children from multiple births will be offered the same session, unless it is school policy to separate them.

Nursery class places are not available for fewer than the number of sessions available to a child each week. If your child is offered a nursery class place it is on the understanding that he/she will attend all the sessions available. If the full entitlement of 15 hours is not available in a single nursery class, you may take up the remainder of the entitlement elsewhere, but you cannot take fewer than the number of hours a week offered in a Bexley school nursery class.

If a nursery session does not have enough applications to make it educationally or financially viable, the session may be withdrawn.

3. Start dates

If your child was born between 1 September 2015 and 31 August 2016, you can apply for a place in a nursery class for your child to start during the school year 2019/2020. Children normally attend the nursery class for two or three terms before moving into primary school. Usually they will be between 3½ and 4 years old when they start in the nursery class.

The Council’s policy is that children born between 1 September 2015 and 28 February 2016 will start at a nursery class in September 2019, and that children born between 1 March 2016 and 31 August 2016 will start in January 2020. In practice, many schools invite all children to start in September. The school where your child is allocated a place will let you know when your child can start.

There may not be enough places for all nursery children to start in September, for example, where parents of younger children opt to delay their start in Reception until January or where more children born between September and February have been allocated a place than the number of places available in September. In this case, places will normally be allocated according to age, in order of date of birth from oldest to youngest.

4. How and where to apply

If you live in the borough of Bexley, you can apply online for most nursery classes from 16 January 2019 at www.bexley.gov.uk/admissions.

Paper application forms will be available on request for Bexley residents who are unable to apply online, and for families living outside the Bexley borough, by emailing schooladmissions@bexley.gov.uk from 16 January 2019. Residents of other boroughs must complete a paper application form, as the online system is only open to Bexley residents.

Completed paper application forms should be returned to the school with the nursery class that you would prefer your child to attend, or by post or in person to the School Admissions Team, Civic Offices, 2 Watling Street, Bexleyheath DA6 7AT.

When you apply you must include evidence of your address and your child’s date of birth. You can scan and upload copies online, take the originals to your local primary school for checking, or send photocopies to the School Admissions Team either attached to your application form or clearly marked with your child’s name and online reference number.

We need this information to verify your child’s home address and the parent who is responsible for the child.

You must provide a copy of your Council Tax bill or commercial tenancy agreement as evidence of address and the child’s birth certificate, passport or medical card as evidence of date of birth.

Utility bills, driving licences and bank/building society statements are not acceptable as proof of address. If you are living with a friend or relative, and not named on the Council Tax account, you must provide a copy of your Child Benefit statement, or Tax Credits letter.
Applying for a Nursery Class Place

You must apply direct to the school for places at Bishop Ridley CE Primary School, Days Lane Primary School, Haberdashers’ Aske’s Crayford Academy, Holy Trinity CE Primary School, Our Lady of the Rosary Catholic Primary School, Our Lady of the Rosary Catholic Primary School (morning places), St Fidelis Catholic Primary School and Sherwood Park Primary School. If you are applying for a faith school you must also complete a Supplementary Information Form and return it direct to the school. Supplementary Information Forms can be obtained from the school, or downloaded from www.bexley.gov.uk/admissions.

You can apply for all other nursery classes online. Paper application forms will only be available to those who are unable to apply online.

5. Preferences

You can list up to three preferences for nursery classes on the Council’s application form. If you list more than three preferences, the lowest preferences will not be considered.

All first preference applications for a nursery class will be considered before second and third preference applications, and second preference applications will be considered before third preferences.

6. Completing the form

Parents should only complete one online or paper application form. If more than one application is received, the Council will take the application with the latest date as the valid application and will withdraw any earlier applications. If two or more applications are completed on the same day, the Council reserves the right to decide which application to accept and which application it will disqualify.

When signing the application form, parents are asked to confirm they have received, read and understood the information in this booklet. You are also signing to confirm the information you have given on the form is accurate and complete, and that you understand if it is not, the Council has the right to withhold or withdraw the offer of a place.

Applications must be made by the child’s parent or the person with parental responsibility. If you are not the parent of the child on the application form, you must include evidence of parental responsibility i.e. a Court Order, a solicitor’s letter, or a letter from the parent named on the child’s birth certificate giving you permission to care for their child. If you are not a blood relative you must register with the Local Authority as a private foster carer. The School Admissions Team will refer applications to the Council’s Social Care Team if it has concerns about who a child is living with. Make sure that you answer all the questions on the form, and include a contact telephone number and email address.

7. Closing date

The closing date for all applications is Friday 6 April 2019. The online site will be open until 11.59pm on 6 April.

All applications made during the application period are treated in the same way in accordance with the procedure described in the following sections.

Applications are not processed on a first come, first served basis.

It is very important not to apply late, because applications made after the closing date will be considered only after places have been allocated to children whose parents applied on time. Nursery class places are in considerable demand and most schools will not have vacancies once all on time applications have been processed.

8. How Your Application is Processed

The applications for each nursery class are considered in turn. If there are fewer applications than the number of places available then it will be possible to offer a place to every applicant for that nursery class. If more applications are received for a nursery class than the number of vacancies, places will be allocated according to the criteria set out in Section 10 on page 7.

9. Home address

Most applications will be decided by home to school distance. The home address that we will use is the address stated on your application form and that you provide evidence of. If you move after you submit your application but before the closing date of 6 April 2019, you must notify the School Admissions Team.

The new address will be used if you provide evidence of the closing Council tax account from your previous address and the opening account for your new address, but places offered will be withdrawn if it later becomes known that you were not living at the address given on your application form on 6 April.
Applying for a Nursery Class Place

2019. Address changes after 6 April 2019 will not be taken into account until initial offers of places have been made on 16 May 2019.

The home address must be the address where the child lives permanently with the parent who is the main carer. This is normally the parent in receipt of Child Benefit.

The address you supplied on your form may be checked with the Council Tax department and any other agencies we feel appropriate. If it is found to be incorrect, your application may be withdrawn.

When a nursery class place is offered, the school will ask to see evidence of address before the child is admitted. A place may be withdrawn if it transpires that a child is not living at the address given on the application form, or that the address given is not the child’s permanent place of residence with the parent in receipt of Child Benefit.

10. How Admission is Decided

The London Borough of Bexley will always try to meet your wishes by allocating a place for your child at the nursery class you named as your first preference. However, some nursery classes are likely to be oversubscribed – that is, they have more applications than places available. When this happens, places at community and voluntary controlled schools and most Academies will be offered to children who meet the criteria in the sequence of the oversubscription categories set out below. A small number of Academies have slightly different criteria – please see Part 5 of this booklet for details.

Statements of special educational needs

Children with a statement of special educational needs or an Education, Health and Care Plan naming a school will be admitted to that school’s nursery class and will be given precedence for admission to that school.

Priority 1 – is given to children in public care (looked after children) or to children previously in care, but subsequently adopted or subject to a residence or special guardianship order.

Priority 2 – children resident within the London Borough of Bexley

All applications for nursery classes from Bexley residents will be considered before any applications from out-Borough residents.

Oversubscription Category 2A

This priority is given to children with a brother or sister who will be attending the school which hosts the nursery class of the parent’s preference at the time the child is due for admission to the nursery class. This will also be given to children due for admission to the nursery class in an infant school whose brother or sister attends the associated junior school.

Brother or sister includes a full, half, step or adopted brother or sister living at the same address.

A brother or sister in Year 6 at the time of application is not counted, as he or she will have left the school by the time the younger child starts.

Oversubscription Category 2B

This gives priority to pupils living nearest to the nursery class based on the distance from the home address to the school measured as a straight line in accordance with the London Borough of Bexley’s policy on the measurement of home to school distance. Home will be taken as the address at which the child lives with the parent or registered guardian who is the main carer (the parent eligible to receive Child Benefit and/or Child Tax Credit) at the time of application.

Priority 3 – children living outside the London Borough of Bexley

Applications from out-Borough residents will be considered after all applications from Bexley residents.

Oversubscription Category 3A

This priority is given to children with a brother or sister who will be attending the school which hosts the nursery class of the parent’s preference at the time the child is due for admission to the nursery class. This will also be given to children due for admission to the nursery class in an infant school whose brother or sister attends the associated junior school.

Brother or sister includes a full, half, step or adopted brother or sister living at the same address.

A brother or sister in Year 6 at the time of application is not counted, as he or she will have left the school by the time the younger child starts.
Applying for a Nursery Class Place

**Oversubscription Category 3B**

This gives priority to pupils living nearest to the nursery class based on the distance from the home address to the school measured as a straight line in accordance with the London Borough of Bexley's policy on the measurement of home to school distance.

Home will be taken as the child’s home address at the time of application. That is the address at which the child lives with the parent or registered guardian who is the main carer and eligible to receive Child Benefit and/or Child Tax Credit.

Priorities 1-3 will be used to allocate places at community and voluntary controlled schools, and the Academies where the Governors have decided to use the same criteria. Voluntary aided faith schools and some Academies have their own arrangements and priorities. Nursery class admission arrangements for all schools other than community and voluntary controlled schools are set out in Part 5 of this booklet.

**Policy for the measurement of home to school distance**

All home to school distances will be calculated by the London Borough of Bexley’s computerised pupil database to ensure consistency.

Home to school distances will be measured using the intersection of the geographical grid co-ordinates (known as eastings and northings) supplied by the National Land and Property Gazetteer (NLPG), or equivalent database, for the home address and for the nearest school entrance approved by the Governors as an official entrance.

Home to school distances will be measured by radial distance (straight line) from the intersection of the NLPG co-ordinates of the home address to the nearest official school entrance.

This method applies to home to school distance measurements for applications for community and voluntary controlled schools, and for all other schools where the admission authority commissions the London Borough of Bexley to measure distances on its behalf.

**11. Notification of Decisions**

If you apply online, you will receive an email during the evening of Thursday 16 May 2019 and you will be able to view the outcome of your application online and accept the offer online. If you are offered your first preference school, you will not receive a separate letter, and the offer will be accepted automatically. A letter will be posted by first class post to all other applicants on 16 May 2019.

If offered a school other than your first preference you will be asked to accept or decline the offer by 30 May 2019 by returning a form to the school or the Council, or online if the original application was made online.

Faith schools and some Academies will notify you separately if they can offer a place. You may receive more than one offer if you have applied direct to schools as well as to the London Borough of Bexley.

You can only accept one place.

You must accept or decline the offer of a place by 30 May 2019 so that unwanted nursery places can be re-allocated. If you do not reply by 30 May 2019, the offer may be withdrawn.

If it is not possible to offer a place at any of the nursery classes you list as your preferences, we can let you know in June 2019 which nurseries still have vacancies that you can apply for. Your child will also be placed on the waiting list for your preferred nursery classes.

**12. Waiting Lists**

All children will automatically be added to the waiting lists of higher preference nursery classes than the one offered, unless parents ask us to remove their child from a waiting list. Waiting lists will be kept in the sequence of the priorities. Waiting lists will also be prioritised according to the preference rank on the application form.

Where children from multiple births are not offered places, they will be on the waiting list in order. If one place becomes available and the children at the top of the waiting list are twins/triplets etc, the parents will be contacted so they can decide whether or not to accept the one place available. It is not possible to offer two or more places if there is only one vacancy.

**13. Post Offer Process**

Unsuccessful applicants will automatically be added to the waiting list for their preferred schools, following the oversubscription criteria for that school. At this stage consideration will be given to late applicants alongside those that were unsuccessful in the initial round of admissions.
14. Appeals
There is no right of appeal against decisions not to offer a nursery class place.

15. Toilet training
Schools are not able to toilet train pupils. Therefore unless your child has a disability, as defined under the Disability Discrimination Act, it is expected that you will have trained your child to be clean and dry before they start in a nursery class.

16. Admission to Primary School
Whether or not your child is accepted for a nursery class place, you will need to apply separately for a place in the Reception class of a primary school. There is no automatic right of transfer from the nursery class to the Reception class in the same school, and attending a nursery class does not give any priority for admission to Reception at the same school.

You can apply for a Reception place at a different primary school to one where your child attends the nursery.

Children eligible for nursery classes in 2019/20 would normally start primary school in September 2019.

The application period for admission to Reception will be from 1 September 2019 to 15 January 2020. A booklet with information about applying for a Reception place will be available from primary schools in Bexley, from the Civic Offices or online at www.bexley.gov.uk/admissions, from 1 September 2019.

17. Data Protection Act 1998
Any information provided by parents when applying for a nursery class or school place will be entered on a computerised database. The information is protected by the Data Protection Act 1998, which ensures the information can only be used for defined purposes and can only be passed to specific people.

The defined purposes are:

(1) administering the admissions process as set out in this information booklet, and matters arising from that process

(2) preventing any fraud/criminal offence or to ensure the safety of any child

The people who may receive the information are

(1) the current school (if any)
(2) the schools listed on the application form
(3) the school to which the pupil is to be admitted
(4) other admission authorities, to ensure that parents do not receive more than one offer of a primary or secondary school place
(5) any organisation legitimately investigating allegations of fraud, criminal offences or child protection

18. Important points

• In 2018, the most popular nursery classes were heavily oversubscribed, and a number of children could not be offered a place at one of their preferred schools. Please remember that there are many high quality private, voluntary and independent providers in the borough.

• If your child is offered a place in a nursery class, he or she will have no special priority for a Reception place in the same school. It is sometimes possible to offer nursery places to children living quite far from a school, when they would not live close enough to be offered a Reception place. Please bear this in mind when deciding which nursery and Reception classes to apply for.

• All first preference applications for a nursery class will be considered before second and third preference applications, and second preference applications will be considered before third preferences. Waiting lists will also be prioritised according to the preference rank on the application form.

• Children who do not live in Bexley will only be considered for nursery places when all applications from Bexley children, regardless of preference rank, have been dealt with. This applies even if an out-borough child has a brother or sister already attending the same primary school.

• For community and voluntary controlled schools and academies, you stand more chance of being offered a place if you apply for the schools closest to your home address.

• Make sure you submit your application before the closing date of 6 April 2019. If your application is late, it will not be considered until all on time applications have been dealt with.

### FOR ALL NURSERY CLASSES

Some places may already be filled by children continuing at the nursery  
Session times correct at time of printing.
Admission to Nursery Class 2019/2020

Academies and voluntary aided schools have their own admission arrangements and make their own decisions on which children can be offered places. The nursery class admission arrangements for each of these schools can be seen below.

You can apply for up to three community and voluntary controlled nurseries and most Academy nurseries on the paper application form or online.

For Bishop Ridley CE Primary School, Days Lane Primary School, Haberdashers’ Aske’s Crayford Academy, Holy Trinity CE Primary School, Our Lady of the Rosary, St Fidelis Catholic Primary School and Sherwood Park Primary School you must apply direct to the school and complete a Supplementary Information Form for the faith schools.

Apply only on the Council’s online application form
All other nursery classes

Supplementary Information Forms can be obtained from the school, or downloaded from www.bexley.gov.uk/admissions.

Jubilee Primary School
Crowden Way
Thamesmead SE28 8JB
Tel: 020 8310 2933
Head Teacher: Mrs P Davies

Jubilee Primary School has Academy status and is one of six schools within Trinitas Academy Trust. The Governors have responsibility for the admission arrangements for the school which will be managed by the Local Authority. Applications and places allocated for the Nursery class at Jubilee Primary School will be dealt with using the following oversubscription criteria as set out in our Admissions Policy:

Children with a Statement or an EHC Plan which names the school are given priority before the criteria are applied.

1. Children who are ‘Looked After or Previously Looked After’, in Local Authority Care

2. Children of members of Trinitas Academy Trust staff in either or both of the following circumstances:
   a) Where the member of staff has been employed by the Trust for two or more years at the time at which the application for admission to the school is made and/or
   b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

3. Children who have siblings in the school at the time of admission. If over-subscription occurs within this category, places will be offered in order of the age of the sibling – youngest first.

For the purpose of this criterion a ‘sibling’ is a child who lives at the same address as the child for whom a place is being requested, and is one of the following:

- The brother or sister
- The half-brother or half-sister
- The step-brother or step-sister (i.e. related by parent’s marriage)
- Any other child for whom it can be demonstrated that he/she is residing permanently at the same address (e.g. under the terms of a residence order or Foster-care plan).

4. Places still available after the previous criteria have been applied, will be offered to children living nearest to the school measured by a straight line from the school gate, which has been approved by the governors, to the child’s home address. The home address is the one which applies to the child at the time of place allocation. In the event of a tie, lots will be drawn.

Where a distinction has to be made within the above categories, then the following criteria will be used to determine priority within each category.

a. Children who have siblings in the main school at the time of admission for subscription criteria 1 to 6. If over-subscription occurs within this category, places will be offered in order of the age of the sibling – youngest first.

Those living nearest to the school measured by a straight line from the school gate, which has been approved by the governors, to the child’s home address. The home address is the one which applies to the child at the time of place allocation.

There are a limited amount of 30 hr sessions available.

Applications should be made online at www.bexley.gov.uk/admissions or on the Local Authority’s primary common application form and submitted by the closing date published by the Local Authority.

The school will admit pupils with statements of special educational need naming the school, where the school has agreed that it can meet that child’s needs.

Where there are fewer applicants than places available all will be admitted. Where there are more applicants than places available, the school will apply the following oversubscription criteria, in this order:

1. Children in Public Care (Children who are looked after, previously looked after children)
2. All applications for nursery classes from Bexley residents will be considered before any applications from out-Borough residents.
   a. Siblings of children who will be attending Northumberland Heath Primary School at the time the child is due for admission to the school. This priority does not include brothers or sisters due to transfer to secondary school in the next academic year. For this priority, brother or sister includes a full brother or sister, adopted brother or sister, or step/ half brother or sister living at the same address.
   b. Distance from school with priority given to pupils living nearest to the school, based on the distance measured as a straight line from the home address to the nearest pupil entrance. Measurements will be provided by the London Borough of Bexley in accordance with its home to school distance measuring policy.

3. Application for nursery classes from out-Borough residents will be considered after all applications from Bexley residents.
