Real Nappy Week 24 – 30 April 2017

It’s real nappy week and there’s never been a better time for parents in Bexley to make the switch with a £50 real nappy voucher and a range of support available for those who make the change.

Since the start of the Real Nappies for London scheme, the campaign to reduce London’s disposable nappy waste, over 11,000 London parents have claimed and used its real nappy vouchers.

To get face to face support, see a nappy demonstration or to collect your £50 voucher why not go along to one of the Bexley Nappuccino mornings which take place on the last Wednesday of the every month from 10.00am – 12.00 at Danson Children Centre, Brampton Road, DA7 4SN.

To be eligible for a voucher you must complete a Real Nappy Voucher Application Form and provide a copy of your proof of address and proof of maternity or birth.

Real Nappies for London are offering additional online support for parents who give cloth nappies a go during this week, real nappy week, with access to a virtual community who will provide support for their first six weeks.

Disposable nappies have become the norm but at a cost to the environment, as well as parents’ pockets. Families can save around £100 - £1,000 over 2.5 years if they use washable nappies rather than disposables.

26 April 2017 - Partial closure of Albion Road, Bexleyheath (Welling bound)

Work on the Bexleyheath Town Centre Revitalisation scheme (BTCR) between Townley Road and Oaklands roundabout is almost complete and this section should re-open to traffic on Tuesday 2 May.

Work will then begin for approximately 8 weeks on the section between Townley Road and Highland Road and this will be completely closed to westbound traffic (travelling towards Welling). Westbound traffic only will be diverted onto Highland Road, Arnsberg Way and Broadway. Traffic travelling towards Crayford will not be affected.

Initially work will begin on the Victoria Road/Albion Road junction and move along the front of the houses opposite the entrance to the Broadway Shopping Centre car park with this section closed to traffic. Access will be maintained for residents but arrangements will change as the work progresses.

While work is taking place on the Victoria Road/Albion Road junction and the area opposite the car park entrance, resident access will be from Highland Road roundabout, turning left into Pincott Road. To enable residents to exit there will be a temporary right turn from Pincott Road into Albion Road with this traffic required to give way to traffic on Albion Road. Particular care will need to be taken to give way were traffic needs to turn right and cross both lanes of traffic on Albion Road onto the Highland Road roundabout.

When the work progresses to the Pincott Road/Albion Road junction and this is closed, resident access will be from Townley Road roundabout, with a temporary right turn in place to enable traffic to turn into Victoria Road. Exit will be from Victoria Road.

During the first few days of the road closure these arrangements may be varied to allow the existing road surface to be removed safely. There will be signs and site personnel to assist drivers. Drivers should take extra care.
Throughout the works there will be no vehicle access to the front of properties along Albion Road and residents who would normally park here will need to use alternative parking.

Work on footpaths will be arranged in discussion with residents, where needed, so that appropriate pedestrian access is maintained.

Delivery access to specific properties will be dealt with on a case-by-case basis. Residents who need to make arrangements for deliveries should call 020 8303 7777 and ask to speak with a member of the BTCR construction team or alternatively email BTCR@bexley.gov.uk.

London Borough of Bexley apologises in advance for any inconvenience that may result during these improvements and will work with residents to minimise disruption.

**Bank holiday waste and recycling collections**

There will be no collections on Monday 1 May.

Please place your waste and recycling out for collection at the front edge of your property by 6.45am. Collections have been revised as follows:

**Consultation on Transport Policy and Travel Assistance for 5-16 and post 16 students**

Local Authorities have a duty to prepare and publish an annual transport policy statement that provides information about the travel assistance that is available to enable children and students aged 5-16 and 16-18 (19 - 24 with learning difficulties and/or disabilities to attend places of learning). It includes the transport arrangements which the Council consider is necessary to ensure children and young people have access to education and training.

The London Borough of Bexley has a duty to consult with students, parents and carers on its proposed Travel Assistance Policy Statement for 2017/2018. It also sets out the Council’s criteria for determining eligibility for assistance for 2017/2018 and how decisions are made.
The proposed Policy Statement is intended to provide clarity for parents/carers and young people facing a wide range of circumstances and to ensure that children/young people with particular and significant needs are appropriately supported.

We would like parents/carers, young people and other users to use the survey at [www.bexley.gov.uk/consultations](http://www.bexley.gov.uk/consultations) to tell us your views on the Travel Assistance Policy. This consultation will end on 18 May 2017.

LICENCE APPLICATIONS

On 31 October 2016 the London Borough of Bexley joined the Licensing Partnership to process and issue licensing applications for Bexley.

The Licensing Partnership is a partnership of local authorities comprising London Borough of Bexley, Maidstone Borough Council, Sevenoaks District Council and Tunbridge Wells Borough Council.

Central administration for the Licensing Partnership is based at Sevenoaks, with Licensing Officers located at each local authority. The team at Sevenoaks will input applications, process payments, deal with administrative queries and issue licences.

The Licensing Officers will liaise with customers regarding compliance, set policies, engage with partner responsible authorities, carry out licensing hearings etc.

Any person is welcome to inspect the full details of any of the applications made under the following legislation:

- **Licensing Act 2003** - Applications for the grant or provisional grant of a Premises Licences or Club Premises Certificates; together with applications seeking a full variation or the review an existing Licence or Certificate.
- **Scrap Metal Dealers Act 2013** - Applications for the grant of a Site Licence.
- **Gambling Act 2005** - Applications for the grant or provisional grant of a Premises Licence; together with applications seeking a full variation or the review an existing Licence.

Applications may be viewed online by the following link:

Detailed below is a list summarising licence applications made under the **London Local Authorities Act 1991 (Special Treatment Licences)** - Applications for the grant of a Premises Licence.

</tbody>
</table>

This application seeks permission to remain open to the public on Tuesday to Wednesday between 10:00 hours and 17:00 hours, Thursday between 10:00 hours and 20:00 hours, Friday to Saturday between 10:00 hours and 17:00 hours and Sunday to Monday - Closed. Within these hours consent is sought to provide the following special treatments – Manicure, Pedicure, Cosmetic Piercing and massage.

**This list is valid as of 5pm Wednesday 26 April 2017**

Representations may be made to any of the applications. Representations may be for or against an application. To be considered representations must be ‘relevant’ which means that they must relate to a licensing objective or a ground for refusing an application. The Licensing Partnership administration team can provide guidance on how to make representations to each of the different licence types.
The Role of Ward Councillors

Ward Councillors can make representations in writing and at a hearing on behalf of a local resident or business if specifically requested to do so. Furthermore, if asked, they can represent any party who has made relevant representations at a hearing. Also, as an elected member of the Council they can make representations in their own right if they have relevant concerns about any application, regardless of whether the premises is in their ward. There may also be occasions where a 'Responsible Authority' such as the police may wish to ask a Ward Councillor to act as a witness at a hearing.
APPLICATIONS PENDING DETERMINATION BY THE COUNCIL’S LICENSING SUB COMMITTEE

Detailed below is a list summarising current applications subject to representations and pending determination by the Council’s Licensing Sub Committee. Hearings, which are open to the public, are held at Bexley Civic Offices.

Celebration time for Crayford Charities

A trio of charities from Crayford are celebrating after landing £1,000 windfalls from a leading builders merchant.

Selco Builders Warehouse has opened its Crayford branch on Kennet Way, and wasted no time in making an immediate impact on the community.

As well as providing a major boost to the local economy with the creation of 50 jobs, Selco offered the chance for local charities and community groups to enjoy a major boost by applying for a £1,000 donation, with three prizes awarded.

Shenstone Special School on Old Road and ellenor, which supports families affected by a terminal illness, will both receive £1,000.

The other donation has gone to help fund two new Macmillan Cancer Support nurses at nearby Darent Valley Hospital.
