Bexley high level summary

High Level Summary Data - Bexley COVID-19 Daily Data Tracker

Exceedance Rating (RAG)		
Number of cases in last 14 days (Observed - Exceedance period)	8,470	
Number of cases in last seven days	3,366	
Seven-day case rate per 100,000 population for Bexley	1,350.8	↓
Seven-day case rate per 100,000 population for Dartford (GOV. UK)	1,618.6	↓
Cumulative total number of cases (as of 07 January)	59,851	
Cumulative case rate per 100,000 population (as of 07 January)	24,007.5	
Rate of individuals tested in last 7 days per 100,000 population*	764.4	
Percentage of individuals positive in last seven days	36.8%	

Data provided by PHE-Power BI (up to 11 01 2022). Exceedance report provided by PHE Joint Modelling Cell and the COVID Outbreak Surveillance Team on Wednesday, Friday and Saturday. Positivity rate now updated only on Tuesday and Thursday.

7-day case rate RAG rating: **RED** if greater than 50 cases per 100,000 per week; **AMBER** if 25-50 cases per 100,000 per week; **GREEN** if less. Positivity RAG rating: **RED** if proportion of people testing positive is greater than 7.5%; **AMBER** if proportion is greater than 4%; **GREEN** if less. Exceedance RAG rating identifies if recent numbers of COVID-19 cases are not following the previous temporal trend. A **RED** rating is given if the threshold is exceeded for two or more of the 14 most recent day regardless of the magnitude of the exceedances, OR if the observed count is greater than the forecast mean value for 12 of the 14 most recent days. An **AMBER** rating is given if the threshold is exceeded for only one of the 14 most recent day, OR if the observed count is greater than the forecast mean value for 10 or more of the 14 most recent days. Otherwise a **GREEN** rating is given.

Exceedance covers 14 days of investigation period from 27 12 2021 to 09 01 2022 - Reported on 11 01 2022.

Cases and Situations in Bexley

Number of new laboratory-confirmed cases in Bexley by sample date – last 7 days

03-Jan	04-Jan	05-Jan	06-Jan	07-Jan	08-Jan	09-Jan	Total
682	824	562	490	326	248	234	3366

Data provided by PHE Power BI on **12 01 22** includes Pillar 1 and Pillar 2 data. Data for the most recent 5 days are considered to be provisional and subject to change as more information becomes available.

Number of schools in Bexley with one or more positive Covid cases in the last 5 school working days as of 11/01/2022.

	05-Jan	06-Jan	07-Jan	10-Jan	11-Jan
Total	68	82	82	83	80
Exceeded threshold	0 (0)	0 (0)	0 (0)	1 (0)	5 (1)

Data provided by the Local Education Team at Bexley Council for **83 Primary and Secondary Schools** only. As of **11 01 22**.

Total – No of Schools with 1 or more Positive cases.

Exceeded threshold – Number of schools that exceeded the threshold in the last 5 school days. Threshold is when a school exceeds 2 (for SEND schools) or 5 (for mainstream schools) positive cases of children, pupils, students or staff, who are likely to have mixed closely, test positive for COVID-19 within a 10-day period; or 10% of children, pupils, students or staff who are likely to have mixed closely test positive for COVID-19 within a 10-day period. Number in brackets refers to number of [SEND schools](#) and is included in the total number.

NB: Data displayed has 1 day lag.

Number of Open and Closed situations and outbreaks between 06/01/2022 and 12/01/2022

	Residential / Care Home	Clinical	Council	Others	DomCare	TOTAL
Open	19	0	0	1	1	21
Closed	2	0	0	3	0	5
TOTAL	21	0	0	4	1	26

Data provided by Local Public Health Response Cell.

On 12 01 22.

NB: Data is latest available from the Hitachi System for the past 7 days.

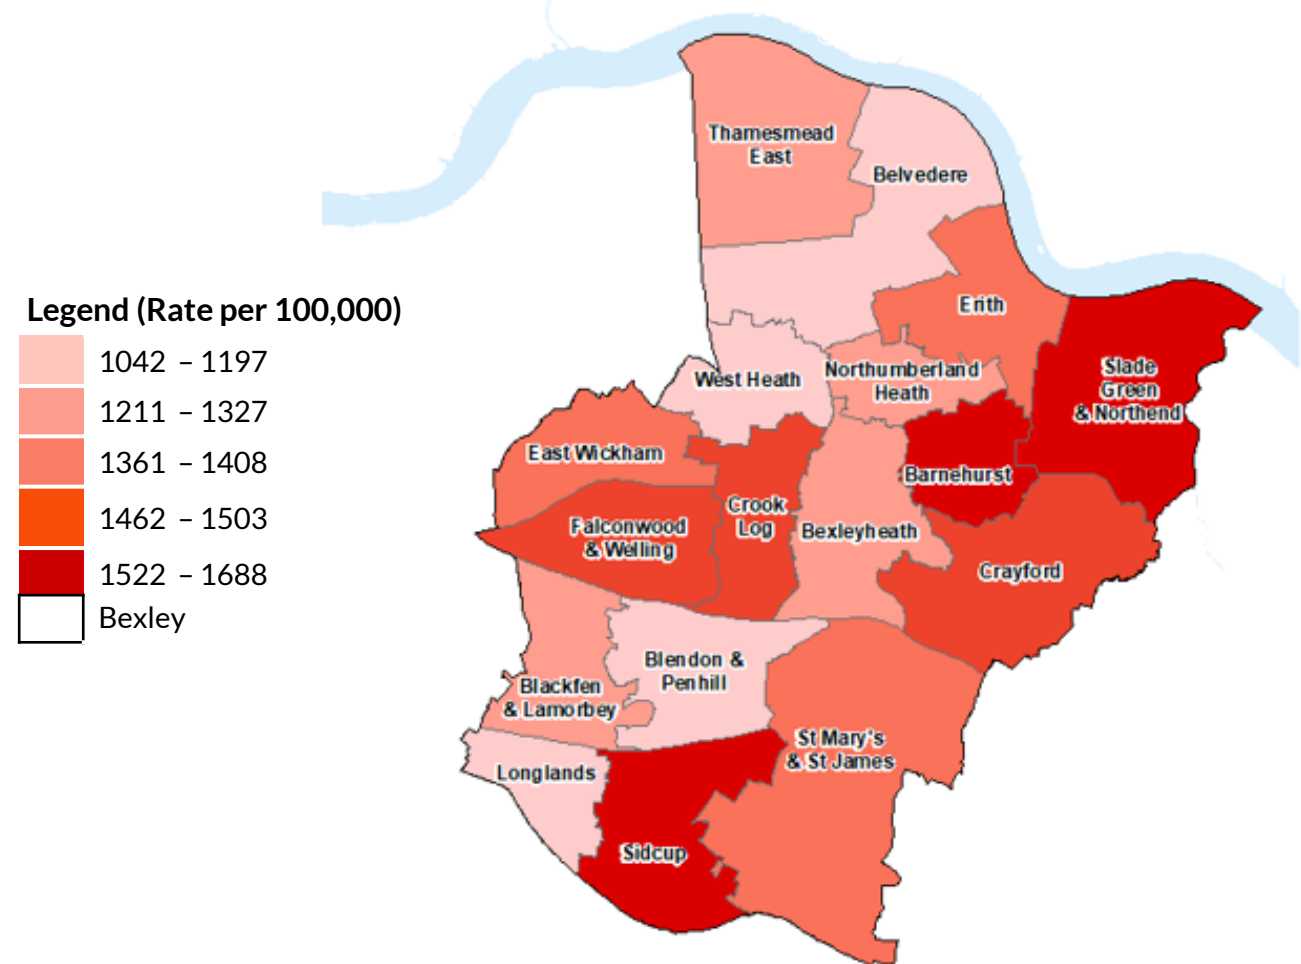

Note: Please note that we are currently reporting the total number of situations and outbreaks as validated by the Bexley Public Health Response Cell and the list of situations and outbreaks previously presented has been removed due to governance requirements.

Disclaimer: Data on Situations in Schools has been removed from this table as relevant school data is now captured in the middle table above. Data for day centres are included under DomCare.
