### Section 4 - Declaration

- I have, in completing this application form, taken into consideration the 'Admission to Nursery Classes in Bexley Schools 2025/26' booklet, including the reference to the Data Protection Act 1998
- I understand that checks may be made against Council records to verify that the information I have given on this form is correct. I also understand that if the Council's records do not verify the information I have given, I may be asked to provide further documentary evidence
- I understand that I must advise the School Admissions Team as soon as I am aware, of any change in my family circumstances that may affect the processing or outcome of this application
- I wish to make application to the schools listed in Section 2, which I have listed in order of preference. I certify that I am the person with parental responsibility for the child named in Section 1 and that the information given is true to the best of my knowledge and belief. I understand that any false or deliberately misleading information given on this form and/or supporting papers, or any relevant information withheld, may make this application invalid and could lead to the withdrawal of an offer of a nursery class place for my child
- I understand that a place in a nursery class does not give my child priority for a Reception place at the same school when he/she is old enough to start school and that I will need to make a separate application for admission to Reception by 15 January 2027
- This is the only application I have completed or I wish this application to replace an earlier application naming \_\_\_\_\_ nursery class as my first preference (delete as appropriate)
- The address given for my child is the address where he/she lives with the parent or carer in receipt of child benefit
