

The Bexley Selection Test 2026 - Special arrangements application form

Before you start:

- This Special arrangements application form **must be** completed by the parent/carer and submitted to the primary headteacher by final day of spring term 2026 (March).
- Submitting a Special arrangement application does not automatically register the child for the Bexley Selection Test. The parent/carer must also register their child for the Bexley Selection Test online, by visiting - <https://bexley.gov.uk/selectiontests>

There are some special arrangements that can be made, depending on the nature of a child's disability or need. They will reflect the arrangements that are made within a child's own school, such as enlarged and coloured papers for a child with a visual impairment or additional time for children whose condition means that they work more slowly than others.

- You can find out more information by visiting the Special arrangements policy - <https://bexley.gov.uk/bexley-selection-test-special-arrangements>

Headteachers are required to complete the supplementary form and send the application along with the supplementary form to selectiontests@bexley.gov.uk by 30 April 2026.

Bexley will accept assessments carried out by psychologists and suitably qualified specialist teachers. Specialist teachers should hold Associate Membership of the British Dyslexia Association or a qualification from an advanced training course which is recognised by the British Dyslexia Association's Accreditation Board. Tests used should be the current versions. Test results may not be accepted if the test used has been superseded by a more recent version.

Each completed Special arrangements application and associated evidence should be submitted to your child's school by the final day of spring term 2026 (March), so a supplementary form can be completed.

The closing date for applications for Special Arrangements received from Headteachers is 30 April 2026. Applications received after this date will not be considered.
