There’s lots more fun going on in Erith this summer:

**Erith Kitchen** – come and sample some culinary delights at Erith’s new street food night! Find the kitchen at the eastern end of Pier Rd, near the silver sculpture on various days this summer!

A summer riverside festival on London’s longest pier this August!

Follow this fun trail to help you rediscover 12 of Erith’s hidden gems and tell us what Erith means to you.

Take your completed booklet in to Erith Library to win a prize. You can also show the leaflet for some great discounts in the shopping centre including a free class at Nemesis Gym, 10% off a drink in Costa and 10% off a soft play session in Kassiopi Cove.

Make sure you share your photos on social media using the hashtag #GreaterErithTrail*. Additional copies of the trail can be collected at Erith Library.

**Trail distance 1.6 miles (2.5km) estimated duration 90 minutes – suitable for all ages. Please make sure you use the designated crossing places when crossing the road!**
A. We will soon be doing some work to Erith Station to make the area around the beautiful heritage building a nicer place to arrive to, with new seating, trees and greenery. You can get on a train from here to central London and soon Crossrail will be only two stops away to take you there even faster! Where would you most like to visit from Erith Station?

B. The big empty space in front of the college is the site of the old Walnut Tree Tram Depot, the former transport hub of Erith! The Depot was demolished in 1980 and the site has been vacant ever since. Look out for more information about the plans for the site coming soon!

C. The Old Carnegie Library was built in 1906 and was used as a library and museum until 2009. You can see there’s lots of work going on there at the moment - part of the building will reopen in Autumn this year as The Exchange where new arts, heritage and community activities will be tested. Make sure you go and visit!

D. The Riverside Gardens used to be a busy flour mill, but now it’s a lovely park that everyone can enjoy! Take a photo of your favourite part of the gardens and share it with us on Facebook at facebook.com/greatererith or @GreaterErith on twitter with #GreaterErithTrail!

E. There’s always something going on at Erith Playhouse. Why don’t you pop in and watch a show! ‘California Suite’ is on 28th May – 2nd June and ‘Calamity Jane’ starts on 25th June!

F. The old Post Office has been there for over 85 years. How many stone statues can you see on the corners of the roof?

G. Pop in to the Riverside Shopping Centre next on the trail – present this leaflet in Costa, Nemesis Gym or Kassiopi Cove for some special discounts!

H. Erith Pier was first built as a wooden pier in 1842! Thousands of people still visit every year to spend time near the river. Take a photo of your favourite view of London’s longest pier. Use the information board to find out more about the kind of wildlife you can see on the Thames at Erith – if you can spot any of the birds and animals, write them in the box:

I. Pier Road is the main shopping street in Erith with lots of different businesses. Write in the box what year the sculpture of a silver boat was made - look out for lots of fun events going on here this summer!

J. There’s lots of fun things to do at Erith Library, including weekly LEGO Club (Mondays, 4pm – 5pm) and special events like the ‘Elmer and Friends’ afternoon on Friday 1st June (3pm – 4pm). What’s your favourite story? Write your favourite book in the box!

K. The next stop is Erith Leisure Centre where you can play sports, go to classes and even have a swim! Save the date for the Erith Fun Day which will be held on the recreation ground on 7th July, 12pm – 6pm, this year. What’s your favourite sport to play here?

L. A visit to Christ Church is always special, whether it’s to look at the beautiful stained glass, go to a service or see the amazing annual Christmas Tree Festival! How many trees can you count in the Christ Church garden?
